Contact Us (1)

A hand-drawn sketch of a mobile application interface for a contact form. The sketch is enclosed in a rounded rectangle representing a phone screen. At the top, there is a status bar with a grey background, containing icons for Wi-Fi, cellular signal, battery, and the time 8:47. Below the status bar, the form is contained within a white rectangular box with a black border. The form consists of four input fields: 'Full Name:', 'Email Address:', 'Phone No:', and 'Query:'. The 'Query:' field is significantly larger than the others. Below these fields is a 'Send' button. The entire sketch is drawn with thick black lines, giving it a hand-drawn appearance.
